

Data Protection Interim Privacy Notice

(20 June 2018 to 31 August 2018)

This addendum to the Friends Provident International application form contains important additional data privacy information. Where this information differs from that in the application form, this addendum takes precedence. Please read it, sign it (all applicants), and submit it with your application to allow us to process your request.

Please read this privacy notice carefully. Please be aware that this is a short version of our privacy policy and you should visit www.fpinternational.com/legal/privacy-and-cookies.jsp to view the full policy.

Friends Provident International Limited ("FPIL") is the controller of your personal data processed in connection with this application and product. The data we process is that which you provide in your application form such as your names, contact details and information about medical history. As well as obtaining data directly from yourself, we may obtain additional information from your doctor(s) as further described in the application form.

We use your information to process and underwrite your application, administer your policy and handle any claims, to help detect and prevent fraudulent activity, and for customer profiling and marketing. We only retain your data for as long as is necessary for the maintenance of your contract, or for legal or regulatory requirements.

We may share your data with third parties who provide services to us, some of which may be located outside of the Isle of Man, the European Economic Area (EEA), or the country in which your data was collected. In these cases we make sure that your data is protected to the same standards as in the Isle of Man, EEA, or country of data collection.

We may also share your data with law enforcement and regulatory bodies, other insurers, your insurance intermediary and their service providers.

Data protection laws require us to tell you what legal basis we use for processing your personal data. In general, the processing is necessary to perform a contract with you, or to take steps requested by you before entering into this contract.

We will not normally carry out any direct marketing campaigns but if we do, we will always contact you first and give you the opportunity to opt in to direct marketing before any communications of this nature take place.

We may process data about you which the law considers to be sensitive, in particular health information. In this case, we base our processing on your freely given, informed, specific consent or that the processing is necessary for the establishment, exercise or defence of legal claims. We may also process this type of data about other people you wish to insure such as family members. Please tell these people to read this privacy notice and our privacy policy so that they understand how FPIL may use their personal data.

By proceeding with your application:

- **You understand that we will use information about you, including information about health, for the above purposes.**
- **You are confirming that any other person (e.g. a family member or other individual to be covered by your insurance policy, or whose information is relevant to use in providing this policy coverage) whose information you are providing understands and has no concerns about their information being used in this way.**

NOTE: If you have any concerns about use of information for these purposes, you should not proceed with your application as we may be unable to provide you with a policy. You can also contact us at any time if you would like to ask us to cease using your information, but this may result in your policy being cancelled.

You have various rights in relation to your personal data including accessing your data, and in some limited circumstances objecting to processing or having your data erased.

You can find out more about how to exercise these rights, and details of who to contact with queries on our privacy practices, by viewing our full privacy policy available on our website www.fpinternational.com/legal/privacy-and-cookies.jsp or it can be provided upon request from our Data Protection Officer, Friends Provident International Limited, Royal Court, Castletown, Isle of Man, British Isles IM9 1RA.
